No. G21]

PORT MORESBY, FRIDAY, 9th JANUARY

[2026

Prices Regulation Act (Chapter 320)

PUBLIC MOTOR VEHICLE AND TAXI SERVICES PRICES ORDER 2026

MADE by the Independent Consumer and Competition Commission ("Commission") under Section 21 of the *Prices Regulation Act* (Chapter 320) to be effective on 1st January, 2026.

In this Order:

"PMV" means a public motor vehicle within the meaning of the *Road Traffic Act* 2014 used as an omnibus within the meaning of the *Road Traffic (Fees and Charges) Regulation* 2017;

"Taxi" means a public motor vehicle within the meaning of the *Road Traffic Act* 2014 that is operating using a passenger transport licence within the meaning of the *Road Traffic (Fees and Charges) Regulation* 2017;

"Concession fare paying passenger" means full-time student at any level at an educational institution (including a university) who is paying a concession fare;

"50% concession" is one half (50%) of the maximum fares as specified in Column 3 of Schedules A and B in respect of all students up to and including those in Grade 10;

"25% concession" is three quarters (75%) of the maximum fares as specified in Column 3 of Schedules A and B in respect of all students who are in Grade 11 and 12, technical, vocational or teachers' colleges and tertiary institutions;

Public Motor Vehicle and Taxi Services Prices Order 2026—*continued*

PMV SERVICES-MAXIMUM FARES

For the purposes of Section 21(2)(a) and (d) of the *Prices Regulation Act* (Chapter 320):

- a) the maximum fares for PMV services are in Column 2 of Schedules A and B, respectively, in relation to the licensed routes; and
- b) the 50% and 25% concession fares for PMV services are in Columns 3 and 4 of Schedules A and B.

For the purpose of Section 21(2)(a) and (d) of the *Prices Regulation Act* (Chapter 320), the maximum and concession fares at which PMV services may be supplied at, is subject to the following conditions:

- a) PMVs should only charge the maximum fares set by the Commission on the condition that it completes its full designated route; from one end of the route to the other, on every journey during each day on which it carries passengers; and
- b) PMVs should not discriminate against concession-paying passengers by:
 - refusing to carry concession-paying passengers whenever there is space available on PMVs for them to get on;
 - demanding concession-paying passengers to pay more the approved concession fares; and
 - forcing concession-paying passengers to get off PMVs before completion of the passengers' intended journey.

MAXIMUM PMV FARES-OTHER LOCATIONS AND ROUTES

The Commission will set the PMV fares for new licensed routes for both rural and urban areas and will amend and incorporate the new fares into the annual fare list determinations.

FARE ADJUSTMENTS FROM 31st DECEMBER 2026

The Commission will adjust the maximum PMV and taxi fares (charges) for all locations and licensed routes with effect from 1st January each year, commencing in 2027, using the adjustment formulae set out below.

PMV Fare Adjustment Formula

The Commission will use the following formula for PMV fare adjustments:

$$\Delta P_{t+1} = (\Delta CPI_t * 0.40) + (\Delta DFI_t * 0.60)$$

Where;

ΔP_{t+1} = the percentage change in fares in the next year (t+1). This change will apply to the actual fares (not rounded fare)

ΔCPI_t = the movement in the CPI (excluding betelnut, alcoholic beverages and tobacco) measured by the National Statistics office (NSO) series, thus:

Public Motor Vehicle and Taxi Services Prices Order 2026—*continued*PMV Fare Adjustment Formula—*continued*

$$\Delta CPI_t = \left(\frac{Dec\ CPI_{t-1} + March\ CPI_{t-1} + June\ CPI_{t-1} + Sept\ CPI_{t-1}}{Dec\ CPI_{t-2} + March\ CPI_{t-2} + June\ CPI_{t-2} + Sept\ CPI_{t-2}} \right) - 1$$

Where;

Dec, March, June, Sept are the quarterly CPI index numbers

t, t-1, t-2 refer to years such that t is the current year and t+1 is the next year for which the fare increase is to apply

ΔFIt = the change in the retail price of diesel in each provincial town for PMVs as determined monthly by the Commission such that;

$$\Delta FIt = \left(\frac{12\ month\ average\ monthly\ diesel\ fuel\ price\ to\ September\ t}{12\ month\ average\ monthly\ diesel\ fuel\ price\ to\ September\ t-1} \right) - 1$$

Taxi Fare Adjustment Formula

The Commission will use the following formula for taxi fare adjustments:

$$\Delta Pt+1 = (\Delta CPI_t * 0.40) + (\Delta FIt * 0.60).$$

All definitions are same as those of PMVs except that $\Delta Pt+1$ is applied to flag fall and distance rates and (ΔFIt) is the change in petrol prices and is calculated as follows;

ΔFIt = is the outcome of the sum of average change in the retail price of petrol determined monthly by the Commission for all towns where taxi service is provided divide by 4 (4 regions), which is such that;

$$\Delta FIt = \left[\left(\frac{\sum 12\ month\ average\ monthly\ petrol\ prices\ to\ September\ t}{12\ month\ average\ monthly\ petrol\ prices\ to\ September\ t-1} - 1 \text{ for each region} \right) \right] / 4$$

For taxis that have recently operated in new towns, the Commission will use the flag fall rate and distance rate (kina/kilometre) for taxis in Port Moresby as the starting fare.

ROUNDING RULE

Under a 'rounding' rule, the fare calculated for individual PMV and taxi routes will be adjusted to the nearest whole number evenly divisible by 10.

PMV SERVICES-MAXIMUM FARES FOR 2026

Key Determinations for PMV and Taxi Fares for 2026 are as follows;

PMV fares for designated urban and non-urban routes across PNG have been set to increase by 60% in phases throughout all regions. These 60 increases will be implemented annually over the next three years at a rate of 20% per year, across the nation.

Taxi fares across the nation will increase by 40% in 2026; however, this increase will be applied in phases over a period of three years, with increments of 16%, 14%, and 10%, respectively.

Public Motor Vehicle and Taxi Services Prices Order 2026—continued

PMV Services-Maximum Fares for 2026—continued

For the purposes of Section 21(1)(a) and (b) of the *Prices Regulation Act* (Chapter 320), the 2025 Maximum Fares as published in *National Gazette* No. G1093 of 2024 have been adjusted by 20% to determine the maximum fares for 2026.

The 2026 Maximum Fares for PMV services for the routes specified in Schedules A and B are to take effect from 1st January 2026 and will apply until such time the maximum fares are adjusted by the Commission under this Price Order and the *Prices Regulation Act* (Chapter 320).
